# We Make a Difference in the Lives of Our Customers and Community

---

Having established a reputation for quality, reliability and delivering against budget, AE Handy Services (Pty) Ltd is able to negotiate a number of projects every year as a result. Our range of capabilities covers multidisciplinary construction activities throughout the industry

Before the actual job takes place, we are going to send an expert to your place who will conduct a survey. He will take all necessary measurements, inspect the current conditions of the property, and consult with you regarding exactly what you want. This way the engagement will meet all your requirements and fit your refurbishment project.

Pricing structure is well researched and competitive and to make this service even more of a breeze for you, we work within a tailor-made budget to suit your individual needs. Our final bill is the material supplied and fixed labor rate quoted, if there is any adjustment to the work done. It will be communicated before the work is completed.
